

Investor Awareness Programme (18 April 2023)

The Commerce Department Society *Devoir*, under the aegis of IQAC and in collaboration with the Association of Mutual Funds in India (AMFI), organized an Investor Awareness Programme on **18 April 2023** in the College Multi-Purpose Hall. The programme, titled “**Understanding Investment Metrics for Wealth Creation,**” was conducted under the mentorship of **Shri Suryakant Sharma, Senior Consultant, AMFI (Former DGM, SEBI).**

The objective of the programme was to promote financial literacy and empower students, teachers, and staff to make informed financial decisions. Shri Sharma highlighted the importance of saving, investing wisely, and undertaking structured financial planning for long-term wealth creation and financial security. He also explained various investment options and addressed participants’ queries regarding financial management. The programme witnessed enthusiastic participation from over **135 stakeholders** and concluded successfully with an interactive question-and-answer session followed by a vote of thanks to the speaker.
