Research Guidance				
Publications Profile				
I have published multiple research papers in reputed national and international peer-reviewed journals, including UGC-CARE and Scopus indexed journals. My research areas include sustainable textile printing, disperse dyes, eco-friendly thickeners, fabric quality characteristics and textile applications. I have also authored book chapters and books with ISBN numbers in the fields of Textiles, Apparel Science and Community Science, contributing to academic research and knowledge dissemination.				
Publications in the Last one year				
During the last academic year, I have published a book chapter in the field of Clothing and Textiles, reflecting my continued engagement in academic research				
Conference Organization/ Presentations (in the last three years)				
I have presented research papers as an oral presenter at the following national and international conferences during the last three years: ✓ Oral presentation of a research paper at the International Conference on Functional Textiles and Clothing (FTC-2023), held from February 10–12, 2023, organized by IIT Delhi. ✓ Oral presentation of a research paper at the 34th National Convention of Textile Engineers and National Seminar on “Innovative Textile Materials”, held from September 10–11, 2022, organized by IIT Kanpur. ✓ Oral presentation of a research paper at the International e-Conference on Textiles for Advanced Technologies (Textile Tech-2022), held from November 11–13, 2022. ✓ Oral presentation of a research paper at the National Conference on Indian Handloom & Handicrafts: Sustaining Cultural Heritage, held from August 4–6, 2022, organized by NIFT Kangra. ✓ Oral presentation of a review paper at the National Conference on Recent Advances in Science, Technology & Management, held on October 8, 2022, organized by JMB Institute of Life Sciences and Higher Education, Pilibhit.				
Research Projects (Major Grants/Research Collaboration)
