

Educational Visit to the Inter-University Accelerator Centre on National Science Day (28 February 2026)

To commemorate **National Science Day**, the Department of Physics organized an educational visit to the **Inter-University Accelerator Centre (IUAC), New Delhi**, on **28 February 2026**. Students of B.Sc. (Hons.) Physics and B.Sc. Physical Science participated enthusiastically in the visit.

The educational tour provided students with an opportunity to gain first-hand exposure to advanced scientific research facilities, particle accelerators, and cutting-edge technologies used in physics research. Students interacted with scientists and researchers, enhancing their understanding of experimental physics and its applications.

The visit served as an enriching learning experience and inspired students to explore research opportunities in the field of physical sciences.
