

Parikalpana 2026 – Annual Exhibition of Students’ Projects (24th April 2026)

The Department of Home Science (Fabric and Apparel Science) organized *Parikalpana 2026*, the Annual Exhibition of Students’ Projects, on 24 April 2026 in Room No. 7. The exhibition showcased the creative work of students enrolled in Apparel Design and Construction (ADC) and Fabric and Apparel Science (FAS).

A diverse range of projects was displayed, highlighting students’ skills in garment construction, design development, dyeing and printing, accessory design, surface ornamentation, pattern making, and fabric studies. The exhibits included garments, textile samples, design boards, and process displays that reflected the students’ creativity, technical expertise, and understanding of fashion and textile concepts.

The exhibition was well received by faculty members, students, and visitors, who appreciated the quality and innovation demonstrated in the projects. It provided an excellent platform for students to showcase their talents, enhance their confidence, and receive constructive feedback. The event successfully fostered creativity, innovation, and experiential learning among the participants.
