

Mega Plantation Drive held on 30th July 2026

The Eco Club, Harit Nikunj, of Bhagini Nivedita College, University of Delhi, organised a Mega Plantation Drive on 30 July 2026 on the college campus as part of the ongoing 70 Lakh Tree Plantation Mega Campaign under the national initiative “Ek Ped Maa Ke Naam.” Under the guidance and initiative of Principal Prof. Ruby Mishra, the drive was successfully conducted.

The Eco Club of the college successfully registered on the Green Drive Portal developed by the Department of Environment and Forests, Government of NCT of Delhi, to promote public participation in plantation activities. As part of this initiative, the college received 300 saplings from the Department, to support the plantation drive.

Members of the Garden Committee, under the convenorship of Prof. Mamta Sehrawat, actively participated in the plantation drive along with the teaching and non-teaching staff and students of the college. Their enthusiastic participation made the event a great success and reaffirmed the college’s commitment to environmental conservation, biodiversity, and the creation of a greener and more sustainable campus.

The Green Drive Portal enables educational institutions and citizens to register and actively participate in plantation activities. Interested individuals can register through <https://greendrive.delhivanmahotsav.in/>.
