

Seminar on "Awareness of E-Waste Management", Plantation Drive and Inauguration of Information Board (16 October 2025)

The Eco Club Harit Nikunj organized a One-Day Seminar on "Awareness of E-Waste Management" on 16 October 2025 to sensitize students towards the growing environmental challenges posed by electronic waste. The programme also included the inauguration of an information board dedicated to Dr. E. K. Janaki Ammal in the Herbal Garden (Ayush Upvan) and a plantation drive, reinforcing the College's commitment towards environmental sustainability.

The programme was graced by Shri Balaram Pani, Dean of Colleges, University of Delhi, as the Chief Guest. Professor Sanjay Kumar Swamy, National Coordinator (Environmental Education), Shiksha Sanskriti Utthan Nyas, New Delhi, attended as the Guest of Honour, while Ms. Anu Arora, Executive Director, Greencolink Pvt. Ltd., participated as the invited expert speaker.

Welcoming the dignitaries, Principal Prof. Ruby Mishra highlighted the serious environmental and health hazards arising from improper disposal of electronic waste and emphasized the importance of scientific recycling, responsible consumption, and sustainable lifestyles. The invited speakers elaborated on the increasing challenges of e-waste management, environmental degradation, and the collective responsibility of individuals and institutions in protecting the environment.

The seminar generated meaningful discussions among students regarding sustainable waste management practices and significantly enhanced their awareness about responsible disposal and recycling of electronic waste.
