

Students Bring Laurels to the Department of Physics

Students of the Department of Physics continued to excel in academics, research, sports, and skill development during the academic session 2025–26, bringing laurels to the department through their outstanding achievements.

Ms. Anushka Bhatt (B.Sc. (Hons.) Physics, III Year) presented a research poster at the National-level undergraduate research exhibition 'Shodh Udaan' held at Acharya Narendra Dev College on 7 October 2025. She also participated in the India–Japan Talent Bridge (IJTB) Career Summit organized by the Career Progression Cell, University of Delhi, and contributed creatively to the design of the abstract book for the National Conference on "Sister Nivedita's Legacy and Viksit Bharat 2047."

Ms. Namrata Upadhyay (B.Sc. (Hons.) Physics, III Year) presented a research poster at Shodh Udaan and successfully completed the Summer Training & Internship Programme on Remote Sensing and GIS conducted by the Indian Space Academy. She further attended the Advanced Rocketry Workshop organized by the Bharat Space Education Research Centre (BSERC) under I-STEM and completed professional training programmes in Coding, Data Analysis, and Forensic Technology conducted by Deloitte.

Ms. Sangam (B.Sc. (Hons.) Physics, III Year) also presented a research poster at Shodh Udaan and completed professional training programmes in Coding, Data Analysis, Forensic Technology, and Tata ESG, strengthening her technical and analytical skills.

Ms. Doly (B.Sc. (Hons.) Physics, III Year) successfully completed a self-defence training programme conducted by the Delhi Police. She represented the College in the University Inter-College Kabaddi Competition, securing medals and prize money. She was also selected to represent Uttar Pradesh in the State-Level Boxing Championship and qualified for the semi-finals in the 400-metre race at the Delhi Mahakumbh, reflecting excellence in sports alongside academics.

Ms. Himani presented a research paper at the National Conference on "Sister Nivedita's Legacy and Viksit Bharat 2047" held at Bhagini Nivedita College on 6 November 2025, showcasing the department's growing research culture.

These accomplishments reflect the department's continued commitment to nurturing academic excellence, research aptitude, professional development, and holistic growth among its students.
